

Gay.

Mr John Gay is quite indisposed at the present writing.

Chas. Anderson was a business caller in town the 4th.

Mrs A. J. Gay is slowly improving from her recent illness.

Miss Ella Suggs, of St Andrew, was the guest of Ovida Gay last Saturday.

Dr Wall and wife and L. C. Gay and wife spent Tuesday with friends at Anderson.

Lewis Anderson and L. B. D. Gainer, of Anderson, called on L. C. Gay last Sunday.

Capt and Mrs Frank Ware, of Bay-head, dined with Capt Anderson's family last Sunday.

Little Miss Ella Anderson is spending the week with her grand parents, Capt and Mrs Anderson.

Miss Lillian Carlisle, of Calloway and Edgar McKenzie, of Millville, called upon Mrs Booth last Sunday.

Capt Frank Ware, with launch "Frances" has been about town with passengers several times the past week.

Mr Walsingham and family and others, of Walsingham, held a fish fry at Gay with some of their friends on this side.

The Glorious Fourth of 1907 has come and gone. The day here dawned rather cloudy and before night several heavy showers came up to dampen the ardor--as well as wearing apparel--of those patriotically inclined. Several basket picnics were enjoyed by the members of different localities.

Capt Anderson took a launch load, consisting of Dr and Mrs Wall, Mr and Mrs L. C. Gay and family, and the Misses Vesta Gay and Jewel Booth, to Anderson to the picnic, which was largely attended by many from all parts of St Andrew Bay. All report tables bountifully laden and a jolly time for all.

L. C. Gay with his guest, Dr Wall, accompanied by Mrs Wall and Miss Blanche McMillan, went "gator hunting" one night last week. They landed four--others were shot and probably killed, but could not be landed. If one wants a good time about this part of the bay, just throw yourself upon "L. C.'s" tender mercies and we can bespeak for you a jolly time.

E. W. Tompkins and son, Willie, of Tompkins, were calling upon friends here Sunday. Mr Tompkins leaves in a few days for his old home in Connecticut where he will engage in the lumber business. Few men can be more admired for their honor, integrity and christian character than is Mr Tompkins, not only in his own community, but among his business associates throughout the bay country, and his going will be regretted by all. Mrs Tompkins and son, with her sister and niece of Bay Head, Mrs Wills and Mrs Young, also Mr Demming and family, of Tompkins, will follow in about four months. We sincerely regret losing so many good friends and neighbors, but trust they may all be successful and happy in their new home.

It is reported that the German American Lumber Co., are to take out a charter for their railroad, thus placing it on the same footing as other railroads in this state. If this be done it would result in a regular train service, both freight and passenger, being put on, and probably the building up of some few places along the line where saw mills, &c., would be located. This would aid materially in developing the south eastern portion of our county, a region rich in agricultural possibilities.

Prof Bert Boutelle returned this morning from Thomasville, Ga., where he has recently been elected Principal of the large and important High School at that point. The school has some 500 pupils, a corps of 13 teachers at present, fine buildings, and well equipped for the work. As there were some 30 applicants for the position, and Prof Boutelle was the chosen one, it speaks well for his reputation as a Principal. His many friends will be pleased to hear of this appointment, and tender Bert their congratulations, knowing that his success is well deserved.
